7) Letter No.EG21/91939/15 dated 20/10/2022 from Secretary Kozhikode Corporation.

ORDER

Suchitwa Mission has empanelled six engineering consultants/agencies for preparation of Detailed Project Report (DPR) and handholding in project execution in Wastewater / Sewage / Septage Treatment Projects taken up by the Local Self Government Institutions (LSGIs) in Kerala for a period of two years and renewed the tenure of empanelment of existing engineering consultants for one year with effect from the date of order published vide reference (1) above. In the existing list of engineering consultants, 14 firms were eligible, but as per the direction in the reference (2) read above, the tenure of M/s Ram Biological was not extended. Since the issue was related to the delay in project execution of STP for Kozhikode Corporation, the Secretary of Kozhikode Corporation was instructed to take necessary action on the direction as per reference (3).

In this regard, the Corporation has provided an opportunity for hearing from the firm and vide reference (7) above, reported that the delay of project execution of STP work at Kozhikode Corporation is not due to lapse on the part of M/s Ram Biologicals and the hearing committee resolved to request the Government to reverse its decision.

Meanwhile, as per reference (4) above, ACS LSGD has instructed Suchitwa Mission to have a hearing of the firm on the matter of disempanellment and vide reference (5), Suchitwa Mission sought explanation from the firm. The reply submitted by the firm vide reference (6) above is satisfactory and is in agreement with the report given by the

Secretary, Corporation of Kozhikode. Secretary, Kozhikode Corporation vide reference (7) has reported that the delay in project execution is not due to the lapse of the firm and corporation will recommend to Gok to reconsider the matter of blacklisting the firm along with Council resolution. Under these circumstances, Suchitwa Mission has decided to include the firm in the empanelled list published vide reference (1). However, since the decision to blacklist the agency has been taken in the meeting convened by CS, the final decision on the matter has to be taken by GoK. Hence the decision to include the agency in the empanelled list is subject to final decision by Govt.

Accordingly, the modified list of empanelled agencies/engineering consultants for preparation of Detailed Project Report (DPR) and handholding in project execution in Wastewater / Sewage / Septage Treatment Projects taken up by the Local Self Government Institutions (LSGIs) in Kerala is indicated below with the tenure of empanelment, The conditions already mentioned in (1) above shall prevail.
